### DESCRIPTION

#### 2026 GMC Acadia Denali

Meet the brand new 2026 GMC Acadia Denali, now at Rosetown Mainline in Rosetown. Finished in a clean Silver exterior, this SUV brings a confident road presence with a premium look that suits daily driving, business travel, and family life in every season. Under the hood, the 2026 GMC Acadia Denali is powered by a 2.5 L I4 gas engine paired with an automatic transmission. It's a smart match for smooth acceleration, easy highway cruising, and calm, predictable power delivery around town. For Saskatchewan winters, the included engine block heater adds real value by helping with cold starts and quicker warm-ups. This Acadia is equipped with a DOHC engine design, supporting efficient breathing and responsive performance. As a brand new vehicle, everything feels fresh and tight, from the way it drives to the way it presents inside and out. The interior colour is listed as SHEER/VERY DARK ATM...
