DESCRIPTION

2024 GMC Acadia Elevation AWD

Meet the 2024 GMC Acadia, a midsize SUV built for busy family life and long Prairie drives. This used model at Manitou Mainline Chrysler in Watrous pairs a bold blue exterior with a smooth automatic transmission and a 2.5L I4 gas engine. With 52,500 km, it offers modern utility, fresh design, and everyday confidence. The 2024 GMC Acadia was fully redesigned for the new model year, giving it a larger footprint, updated styling, and a more refined road feel. That means more room, more comfort, and a solid sense of control on highways and in town. It is a smart fit for drivers who want practical space without giving up a polished driving experience. FEATURES OF THE Acadia »» Fully redesigned body for 2024 model »» Larger cabin with family-friendly versatility »» Smooth automatic transmission for easy driving »» Blue exterior adds fresh road presence ADVANCED SAFETY FEATURES »» ...
